

# i-mop 40 Pro

## The best scrubber-dryer for demanding environments

### Reliable, durable, powerful

The i-mop® 40 Pro ensures superior durability, ease of use and total control. Designed to deliver superior performance in challenging environments such as kitchens and wellnesses.

## Savings per 300 m<sup>2</sup> vs. manual floor cleaning

Water  
**15.6 L**  
In ECO mode

Time  
**32.5 min.**  
In ECO mode

## Technical specifications

Run time  
**71 minutes\***  
on rough flooring  
**81 minutes\***  
on smooth surfaces

Practical  
performance  
**960 m<sup>2</sup>\***

Brush speed  
**350 RPM**

\* i-power 14

### Faster

Cleans 75% faster than traditional mops and 20% faster than similar-sized scrubber-dryers.

### Cleaner

Counter-rotating brushes make surfaces 90% cleaner than manual mops, proven by ATP tests.

### Greener

Efficient use of water and cleaning agents, lowering environmental impact by 75%.

### Safer

Dries floors almost instantly which significantly reduce slip and fall hazards.

### Better for everyone

Less strain on cleaners' bodies and a cleaner, healthier environment for everyone.

# Why the i-mop 40 Pro is your choice:

## High-quality components:

Designed to withstand intense daily use.

## Modular design:

For easy service and quick repairs.

## Self-diagnosing technology:

Instantly detects issues for rapid troubleshooting.

## HEPA 12 filtration:

Enhances air quality by capturing fine dust particles.

## Adjustable power settings:

High and low modes for customized performance and noise levels.

**i-link:** smart fleet management with real-time data insights.

## 1. Easy to use

Only 4 buttons, no training needed.

## 2. PCBs positioned on top

Easy to access and maintain.

## 3. Brushless vacuum motor

Longer lifespan, lower noise levels and greater efficiency.

## 4. Easy click squeegee

Quick to replace.

## 5. i-balance®

Stabilizes the machine which reduces body strain.

## 6. Powder-coated deck:

superior resistance to corrosive substances.

## 7. Counter-rotating brushes

For powerful cleaning on all hard floors.

## 8. Drive & park support

Adjust the height for better ergonomics and quick yet easy parking.

## 9. Working width

40 cm (deck width 50 cm).
